

## AAU Forest Lake COVID-19 Specific Rules

NOTE: Please read the Minnesota Youth Basketball Event Guidelines that specifically outlines mandatory and recommended best practices. The below information should be used as highlights of those guidelines.

1. Everyone planning to play, coach, or attend: if you feel sick, STAY HOME! Use CDC Guidelines and do a self-check before attending.
2. Each team will be allowed 20 fans per team. We are asking coaches to collect money for wristbands from parents ahead of time, to limit lines at the admission table. They will be \$20 weekend pass – CASH ONLY. Fans will be able to purchase on site as well in the event there are last minute changes in your plans. Based on capacity, a limited number of day passes MAY be available on Sunday ONLY for \$10. Due to regulations, any age kindergarten or above will need to purchase and wear a wristband and be counted toward team capacity.
3. Completed online waivers are required for each player (no hard copies). They will be checked against your score-sheet roster at coaches check-in.
4. Everyone entering the building must wear a mask at all times. It is the responsibility of each team to enforce masking for their spectators, athletes, and coaches.
5. There will be bleachers available. There will be no concessions available in any building.
6. Fans are REQUIRED to social distance. Family groups must be 6 feet apart from other households. This will be enforced by our staff. Bloomington sites will allow viewing from both court level AND running track above to help promote social distance.
7. ENTERING: We will collect a phone number at check-in and will text that number when the team can enter the building for their game.
8. EXITING: Exits at all sites will be clearly marked and will be different from entrance points. Please exit immediately and swiftly after the completion of each game.
9. A parent from each team will be asked to work the table for each game. One will do the scoresheet, and one will do the clock. A 3<sup>rd</sup> wristband will be included in the coach's packet for that parent. That does not count toward your limit.
